Pick up the statement made b Cressingham having abandoned nope of outside assistance, for the space of an finally desisted in despair and they nour perhaps completely despaired, and even considered the advisability of taking his life at once rather than wait to have it dragged from him by the slower had to crawl for forty yards on hands and knees. Then the light suddenly distant's solicitors.

Tolson to Tolson; rule as to manufemence terms able November 9. Complainant's solicitor of the November 9. Complainant's solicitors. Dodson, maintenance ordered raid. Complainant's solicitors. Hughes & Gray, defendant's solicitors, annuared. Desire had extinguished it.

she trod so swiftly and so fearlessly that marking her sure-footed skill he gathered up his courage and followed her. dark was profound but the path was white, and Desire's figure sharply cut in silhouette against the frothing sea below. For a strong breeze was blowing and the Mediterranean had donned its lightestcolored garments.

Soon Desire halted with the path's end. and grudzingly offering her hand to Cressingham, helved him from crag to crag with the strength and skill of a lady mountaineer. The descent was very diffi-cuit at first, but each moment it grew easter, and before long they arrived as near to the sea as they dared go. It was then a matter of an hour's clambering along the coast and scrambling through the maguis until they reached the beach where the yacht's boat lay moored half in the water, half in the sand.

TO BE CONTINUED TO MORROW,

EXPOSITION AT SEATTLE.

No Money Asked of Congress, but National Exhibit is Desired,

Two years after the Jamestown Exposition will come the next great display of
American progress in the Alaska-YukonPacific Exposition, at Seattle. Wash.
As its name implies, it will be for the exploitation of the Coast and the new possessions on the Pacific.

mingling with the representatives of the Atlantic and central States. The population of the nations bordering on the Pacific totals more than nine hundred millions. Many of these are just now awaked ening, and the great work of modernizing them, for which they are all ready, will make rapid strides within the next few years.

All the Pacific Coast States, and many of those in the East and central portions of the country, will have State buildings for the exhibit of their industries and for a social gathering place. The Canadian provinces will also be well represented, especially those bordering on the Pacific.

Contracts for Gunpowder.

Contracts have just been made by the Bureau of Ordnance of the War Department for 338,000 pounds of smokeless, powder, at a uniform price of 60 cents a pound.

Red Cross Aids Mobile.

The National Red Cross to-day sent \$300 to Mobile for the relief of those who suffered in the recent storm at that place.

**All States States and sentral portions of the country will have State buildings of a familiarstrion field. Attorney, E. S. Bailey and provinces will also be well represented, especially those bordering on the Pacific.
